

8P

The Saeco 8P is innovative and extremely easy to use and maintain. This super automatic espresso vending machine is perfect for use in small to medium office environments.

The 8P offers eight (8) different fresh ground gourmet coffee beverage options and can be customized to produce decaf drinks. With the optional coin and bill validator, pricing can be programmed through the LCD digital display.

**Fresh from Bean to Cup,
at the push of a button.**
