HD8964/47

Enjoy a unique variety of 18 one touch specialties

With the first one-finger removable brewing group

After 28 years Saeco has re-invented the bean-to-cup experience, crafting the new GranBaristo. A sleek espresso machine with a set of revolutionary technologies that brews quicker, hotter, offers more variety and streamlines maintenance

Authentic Italian coffee perfection

- Perfect froth thanks to the dual chamber milk carafe
- Perfect coffee in no time thanks to the thermo-speed boiler
- Coffee without burnt taste thanks to 100% ceramic grinders
- Variety of 16 different delicious special drinks

Set the beverages to suit your taste

- Play with 6 settings of coffee intensity
- Personalize your coffee in 6 user profiles
- Play with the coffee's richness with our adjustable grinders

Ease of cleaning and maintaining

- Always a clean machine thanks to auto-clean and descaling
- No-fuss coffee experience thanks to low water consumption
- Keep a clean machine with just a single finger
- Easy cleaning thanks to dishwasher-safe parts

Highlights

100% ceramic grinders

This espresso machine is equipped 100% ceramic grinders. Saeco uses ceramic grinders because of their consistent grind without overheating the coffee bean for an impeccable espresso. Ceramic also ensures long-lasting performance and a totally silent operation.

Patented dual chamber carafe

Enjoy your milk specialties fully automated with the new patented milk carafe with dual chamber technology. Simply pour milk into the carafe, plug it into the machine and select your coffee drink. With the dual chamber technology you will always enjoy professional coffee drink with dense, long-lasting milk froth at the ideal

temperature from a constant splash-free flow of milk.

Dishwasher-safe parts

For your convenience, you can put the Saeco's drip tray and milk frother or milk carafe in the dishwasher. This will save time and ensure a hygienic cleaning.

16 special drinks

From a creamy cappuccino to a regular coffee, savor a world of 16 different drinks due to Saeco's VariPresso brewing group chamber. It will automatically adjust the pressure, adapting to suit many types of coffee extraction for a great coffee variety at home.

Thermo-speed technology boiler

Enjoy perfectly hot, professional-quality coffee without the wait, thanks to our new, powerful boiler with the Saeco Thermo-speed technology. The Thermo-speed technology will flash-heat the coffee circuit when the machine is turned on and prevent the heat loss ensuring perfect, hot coffee from the very first cup.

No-fuss coffee experience

This new cutting-edge brewing group in this espresso machine was designed to reduce water consumption for its rinse cycle by up to 80%. This means you can now prepare more coffee drinks without having to refill the water tank.

Super-automatic espresso machine
